

# MEAL PLANS

## *why a meal plan makes sense*

### COMMUNITY

Breaking bread together helps create a sense of community. On-campus dining enriches your education experience by helping you be part of the La Verne community.

### SIMPLY FRESH

We cook from scratch using recipes our onsite Executive Chef creates daily.

### PEACE OF MIND

No need to worry about packing food, bringing cash or doing dishes!

### FOOD WITH A CONSCIENCE

Our bacon is gestation crate-free and our ground beef is locally raised and certified humane. Our produce is seasonal, local, and organic whenever possible.

### LOCATION, LOCATION, LOCATION

With the Café centrally located on campus, you are always just steps away from great food!

### VEGETARIAN AND VEGAN OPTIONS

A wide range of creative alternatives is always available.

### IT'S EASY!

Signing up for a meal plan is easy; you can do so during online registration. For any questions regarding payment, please contact the Housing and Residential Life Office at: 909-448-4052 or [housing@laverne.edu](mailto:housing@laverne.edu)
